

F10

Flip front fixed shade welding helmet

F10 (formerly Eco Arc II) has a 'flip up' front in to which a welding glass is fitted. There is also a protective plastic lens that gives facial protection when the front is in the up position. F10 is available in three flip front options, the helmet also adopts the Eco Head Gear, with 5 rake positions.

- 60 x 110 mm, 90 x 110 and 51 x 108 mm flip front options
- Lightweight shell with comfort headgear
- Changeable DIN lenses
- Inside viewing visor

Visit esab.com for more information.

Welding Process

- SMAW/MMA (Stick)
