

## PRODUCT INFORMATION

### RED SUPERIOR GAUNTLETS

EAD009

#### DESCRIPTION

The Red Superior Gauntlet gives a close comfortable fit for enhanced dexterity and an excellent grip.

The gauntlet features a 100% cotton fully lined inner for extra protection as well as to ensure comfort during wear and to prevent the glove from sticking to the skin in hot conditions.

The Red Superior Gauntlet is made from top quality leather and features a rolled cuff hem to provide extra strength and wear.

#### INFORMATION

The Red Superior Gauntlets have a high level of abrasion resistance to provide the wearer with peace of mind when handling abrasive materials. With excellent heat protection, the Red Superior Gauntlets are the perfect choice for most welding jobs. Applications Include:

- MIG welding
- Metal Handling
- General Handling

The Red Superior Gauntlet comes in a size 11. The Gauntlets are supplied in pairs, packs of 10 pairs or a pack of 100 pairs. This is a Type A Welding Gauntlet and is not recommended to be used for TIG Welding purposes.
