

# MW2000 FR Jacket

## Mid-Weight Flame-Resistant Clothing

*MW2000 Jacket*

The game-changing MW2000 flame-resistant (FR) welding jacket from ESAB offers safe, comfortable style that meets ISO 11611:2015, ISO 11612:2015, and EN 1149-5:2018 safety standards.

Our FR welding jacket is designed with your needs in mind. Experience unbeatable comfort with 2-way stretch fabric that allows freedom of movement while protecting you from heat and flames. No more restrictive jackets holding you back.

Durability is key. Our jacket features a robust metal YKK® zipper that can handle the toughest welding tasks, ensuring long-lasting performance. And with convenient pockets, you can keep your essential tools within reach, making your work more efficient.

Elevate your welding experience with our premium FR welding jacket. Stay safe, look sharp, and work with confidence. Choose workwear that empowers you to excel in your craft.

- 300g FR material with 2-way stretch
- Main fabric: FR 97% cotton, 2% spandex, 1% anti-static fibre
- Shielded metal zippers for easy and secure closure
- Convenient and protected pockets for secure tool storage
- Reflective accents for enhanced visibility and safety
- Retains FR properties for up to 50 wash cycles
